

INTROVERTS AND EXTROVERTS

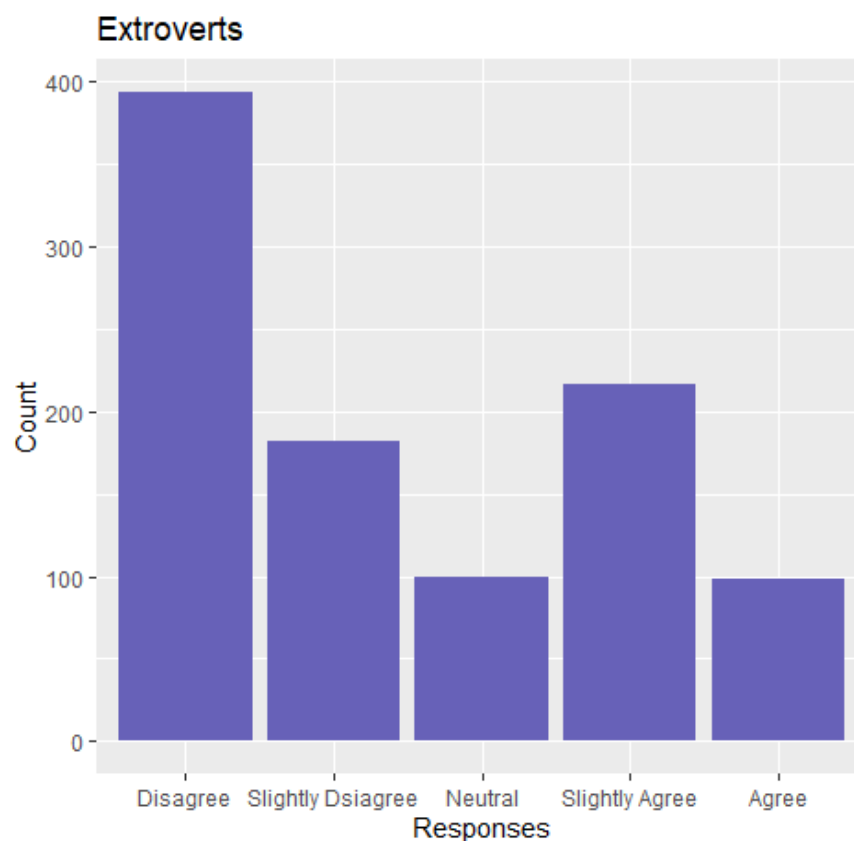

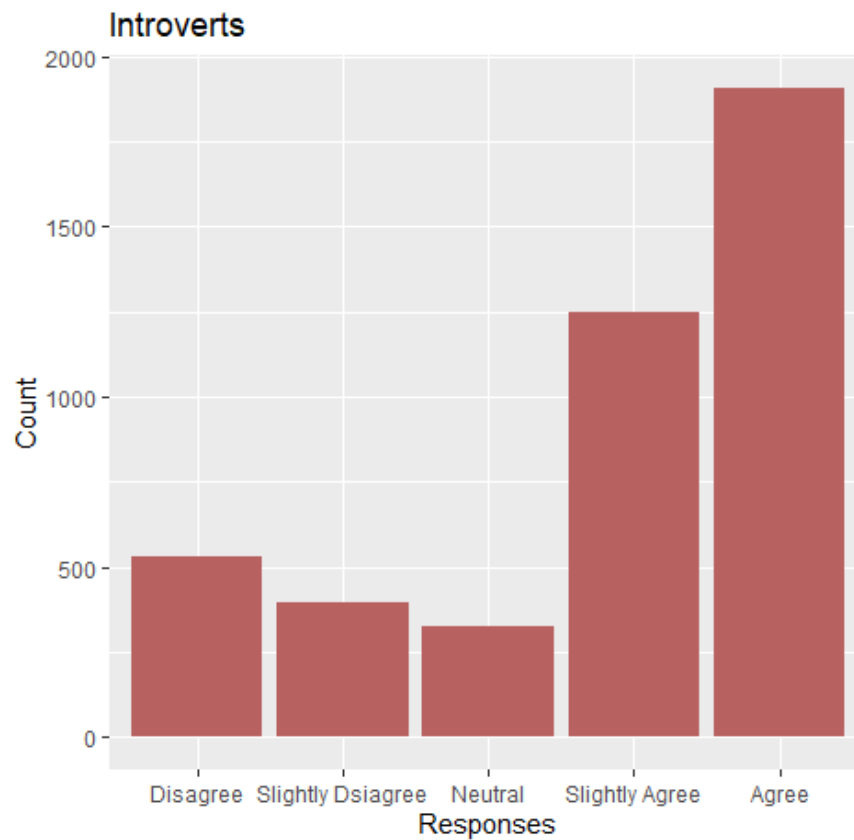

Prepared By :
Anmol Gairola

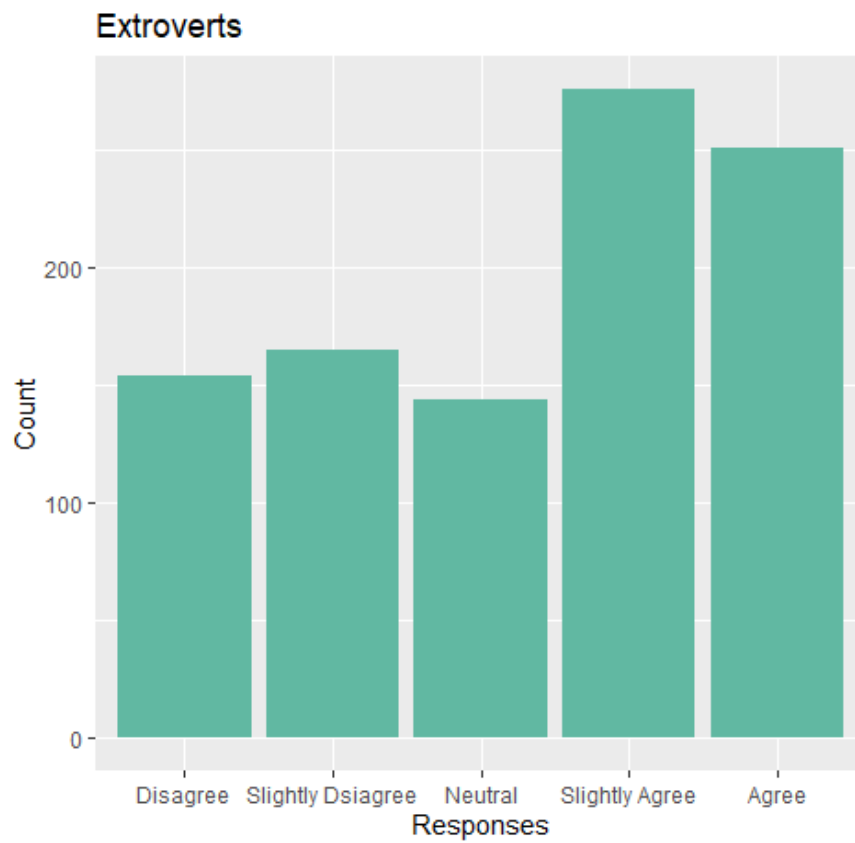

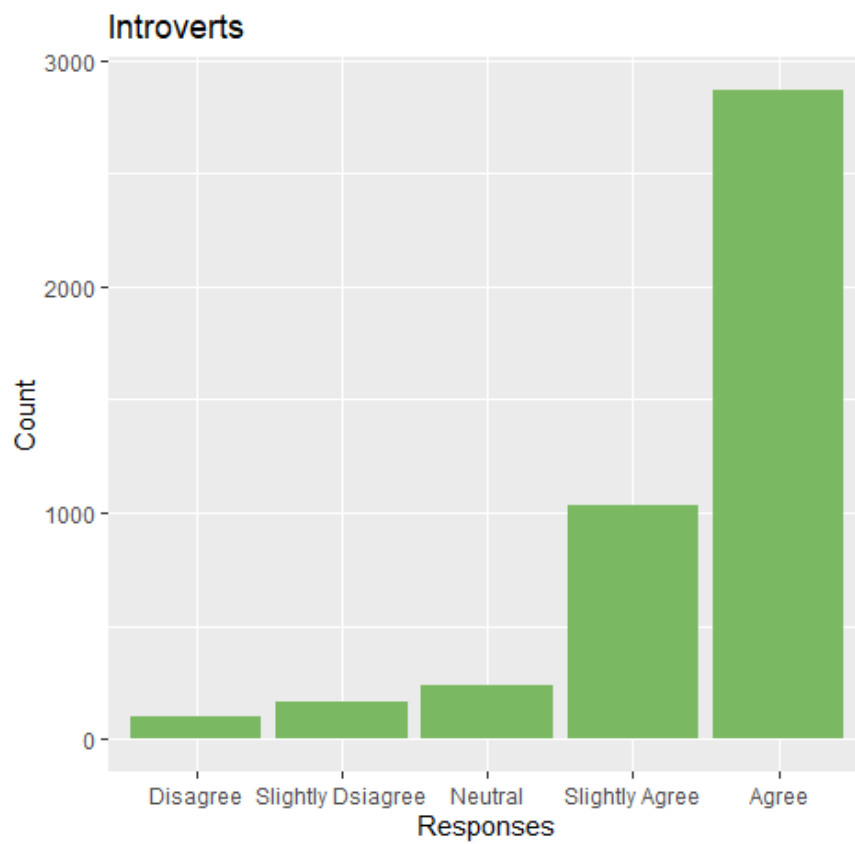

This document consists of several questions and how they were answered by people who classified themselves as **Introverts** or **Extroverts**.

you can check out the dataset [here](#)

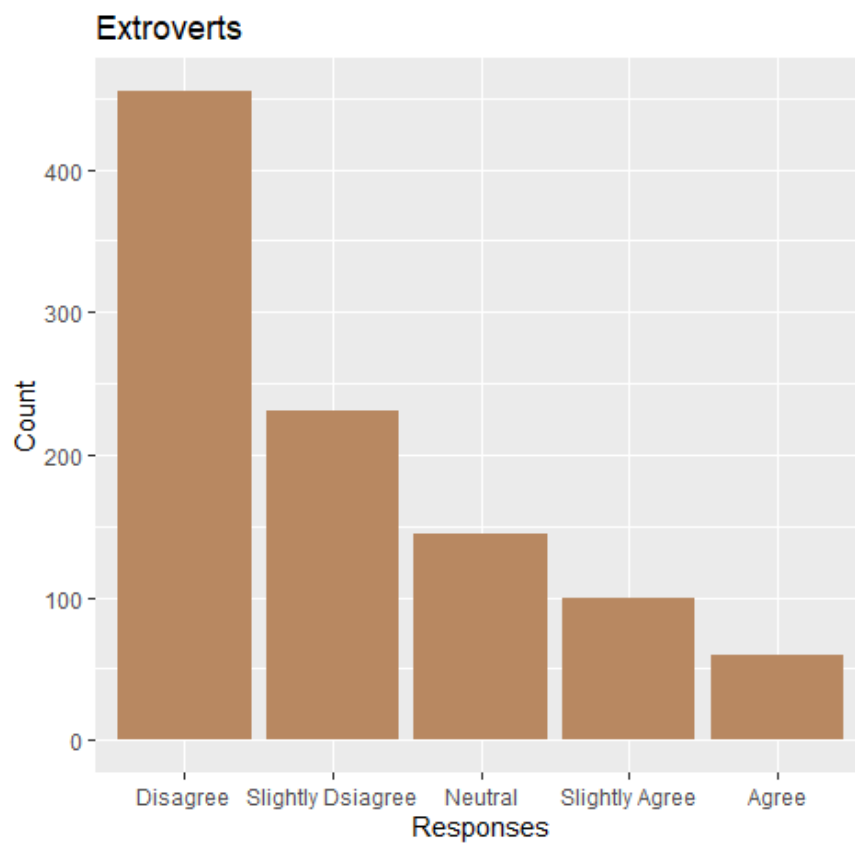

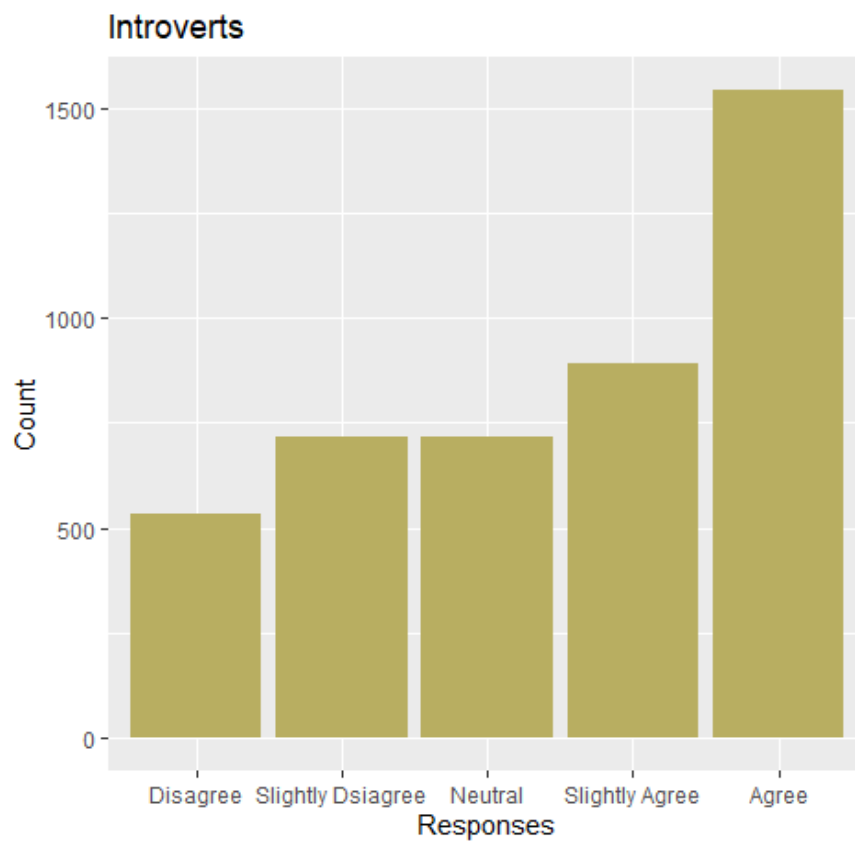

I have to psych myself up before I am brave enough to make a phone call.

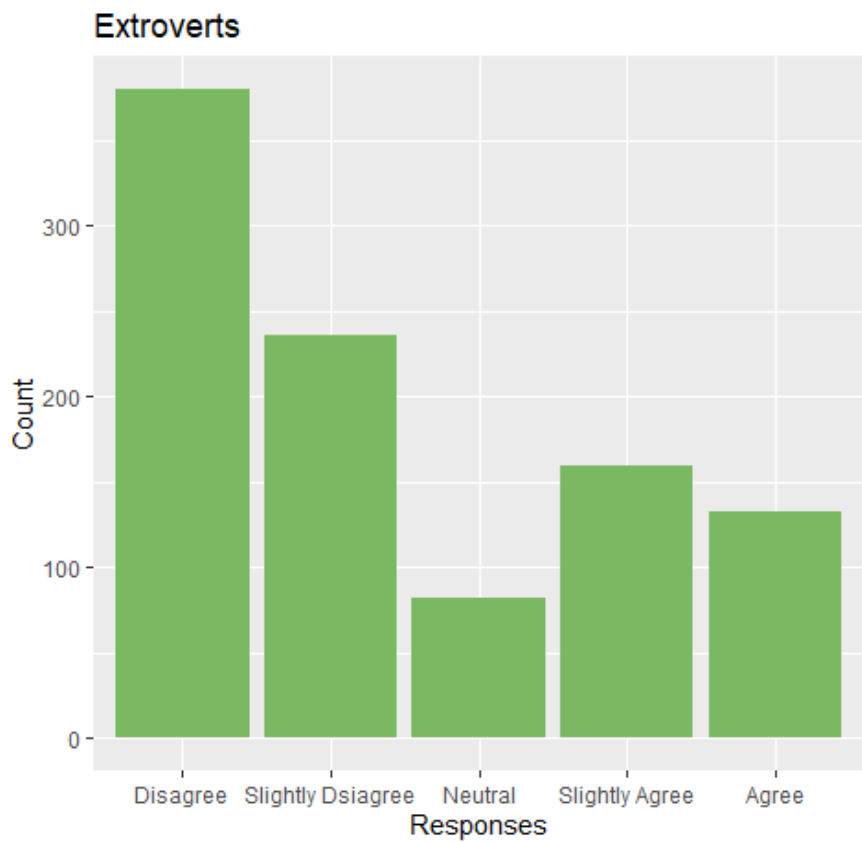

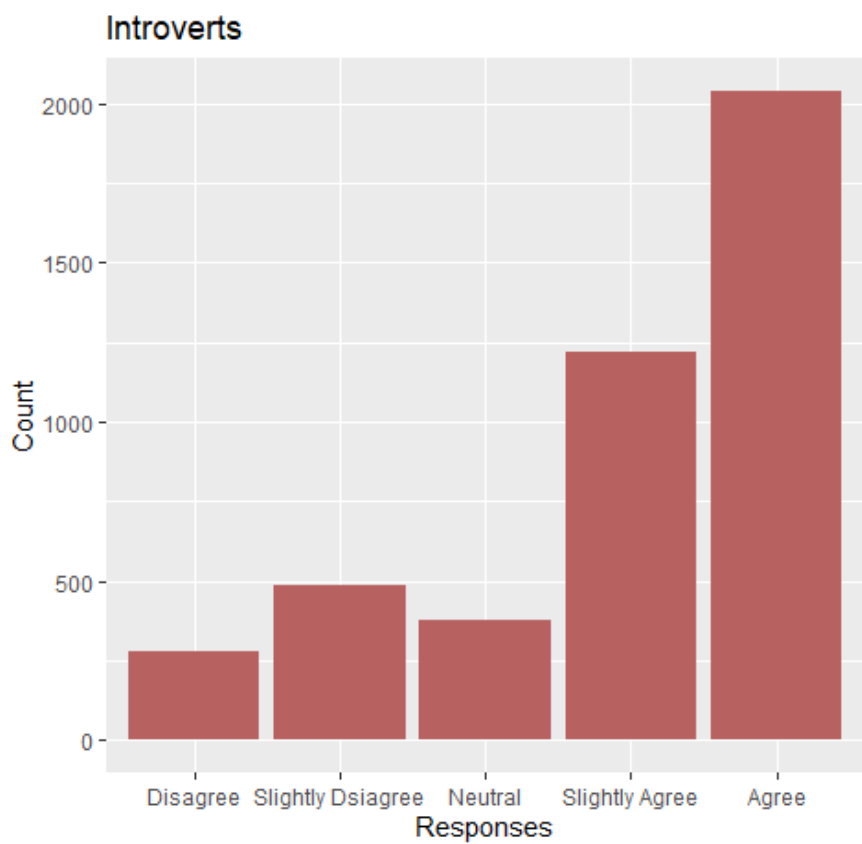

I spend hours alone with my hobbies.

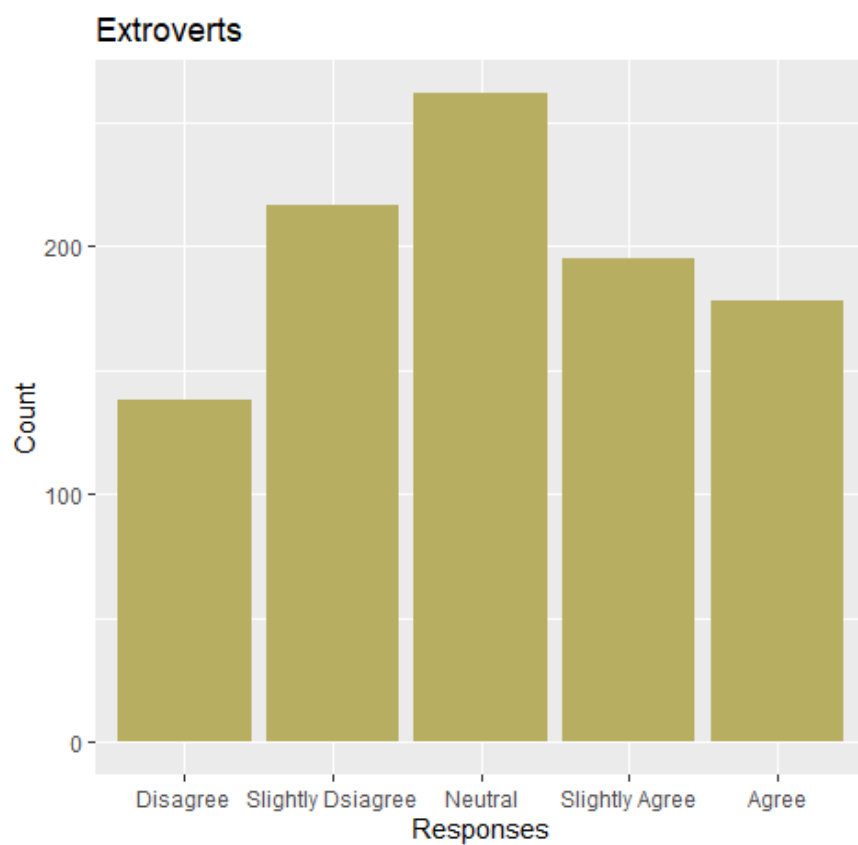

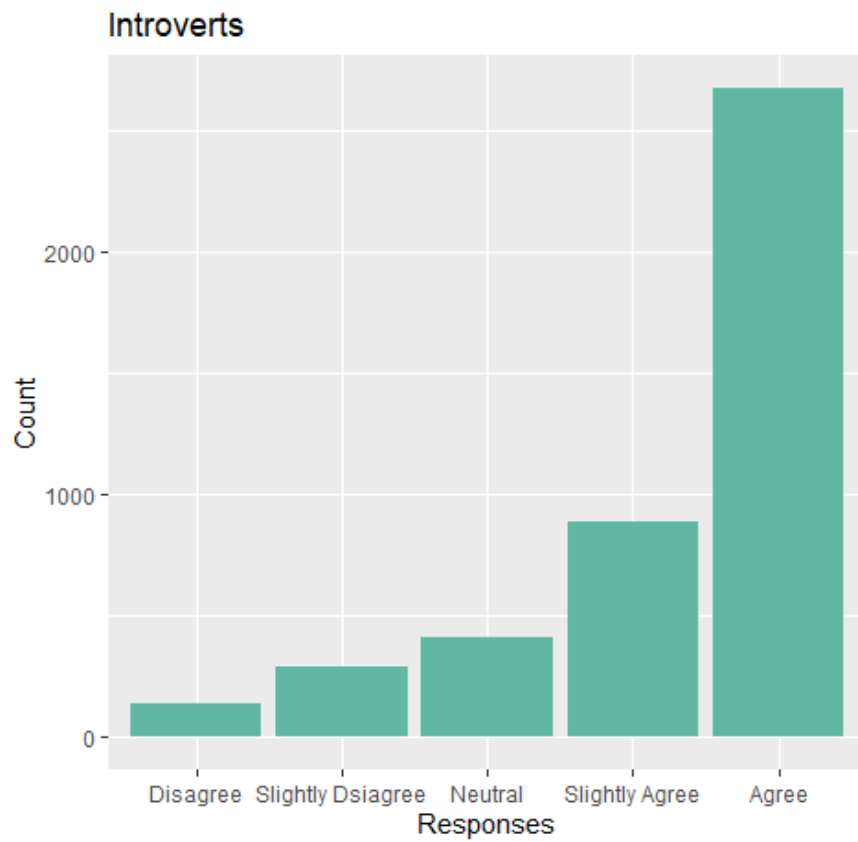

I prefer to eat alone.

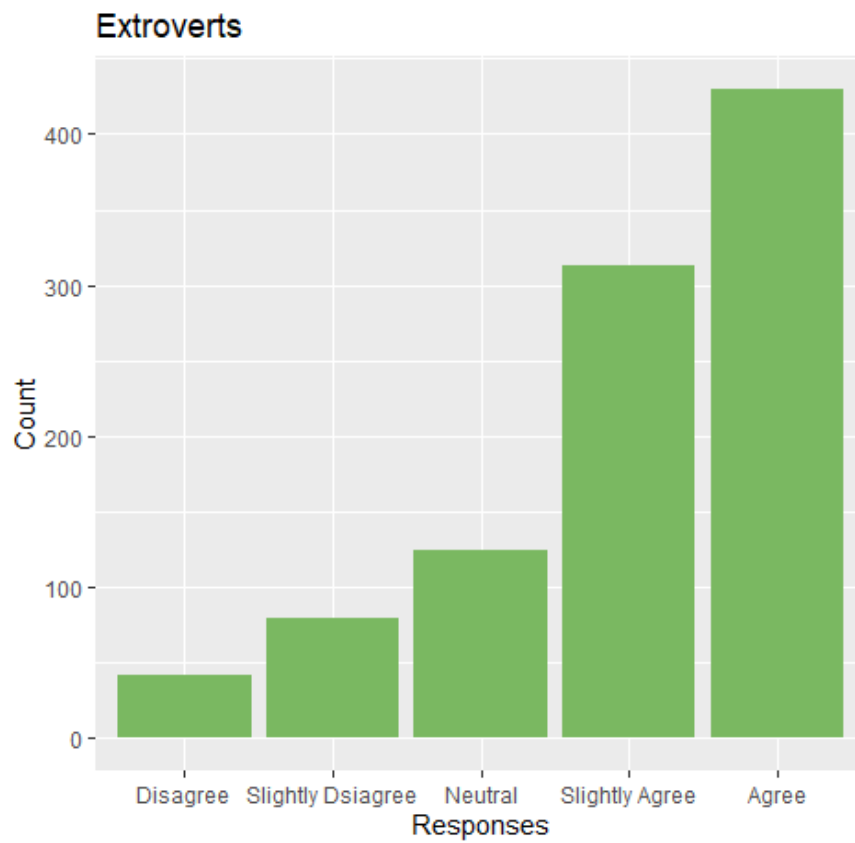

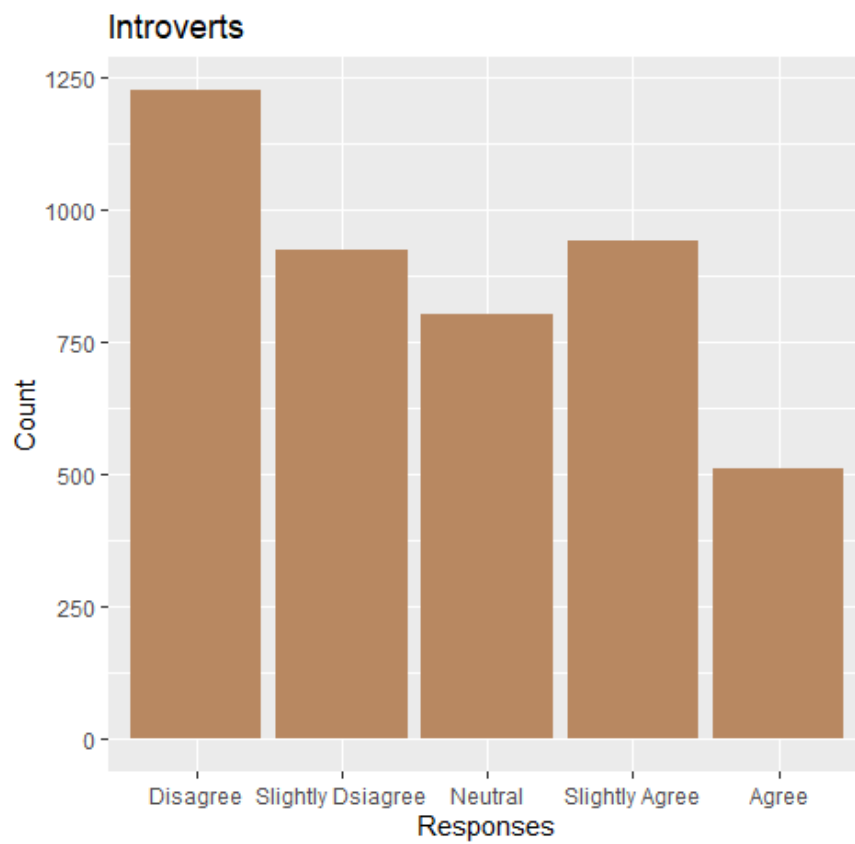

I have trouble finding people I want to be friends with.

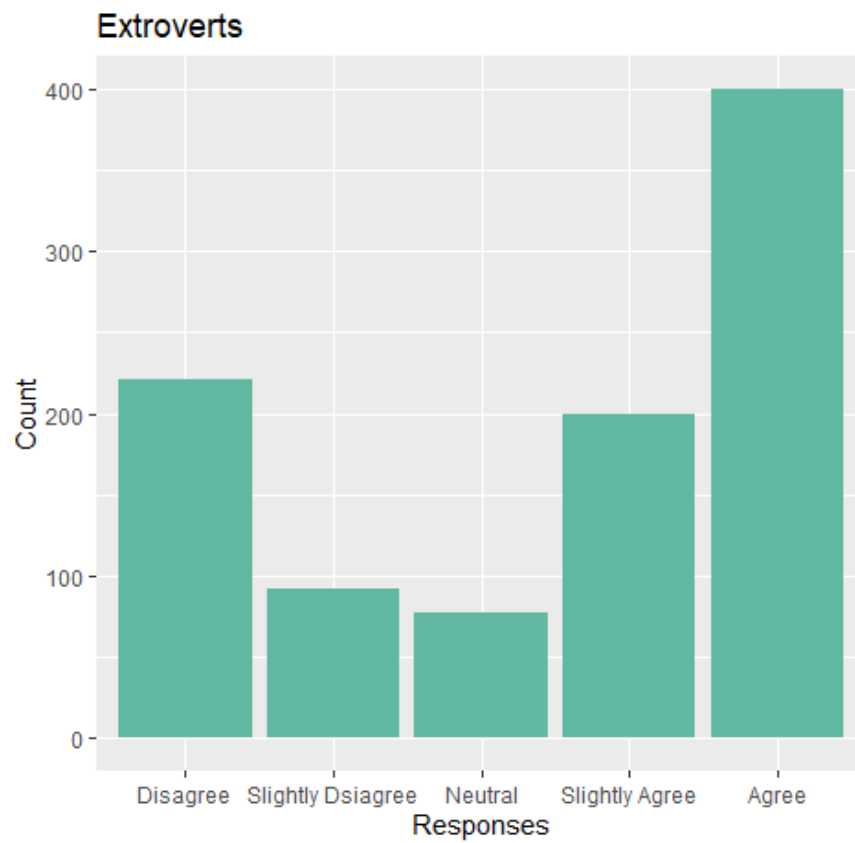

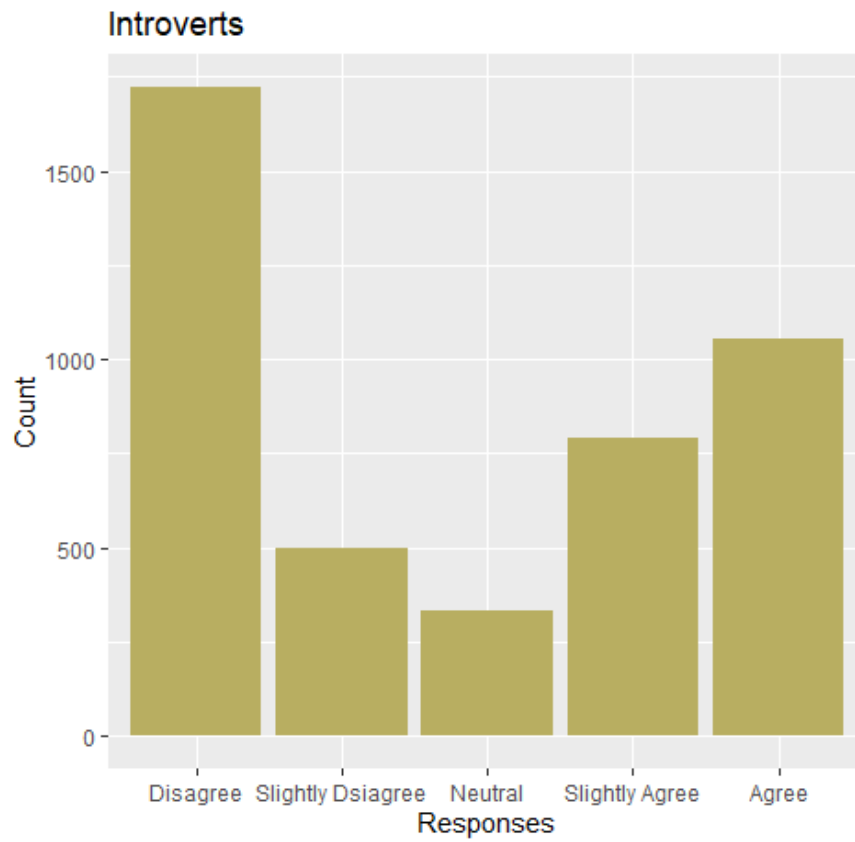

I prefer to socialize 1 on 1, than with a group.

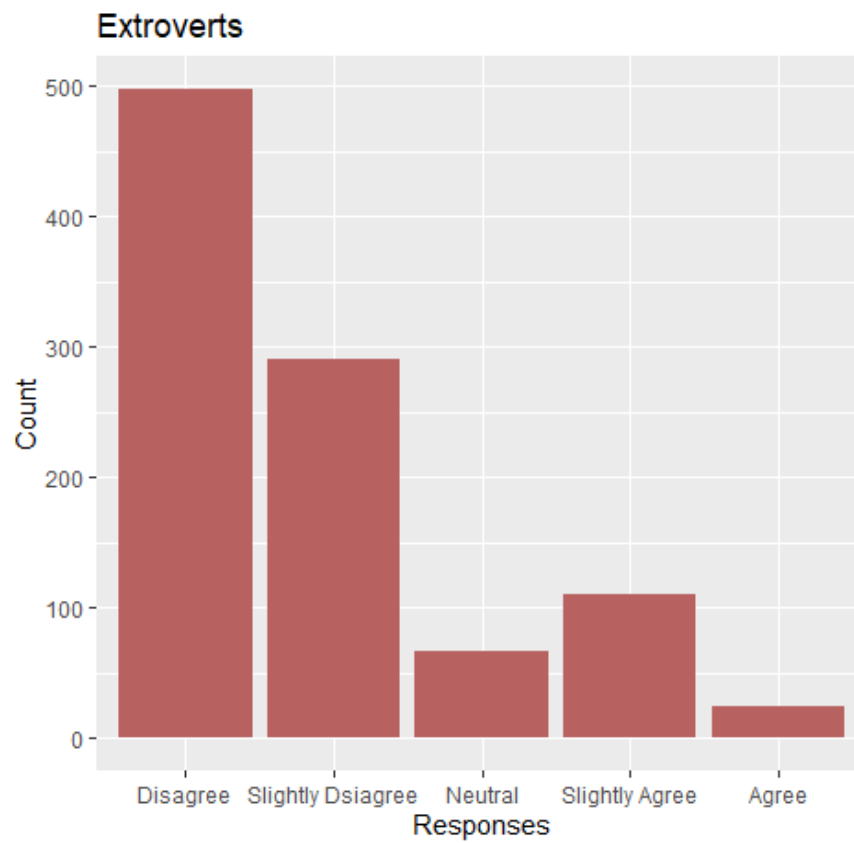

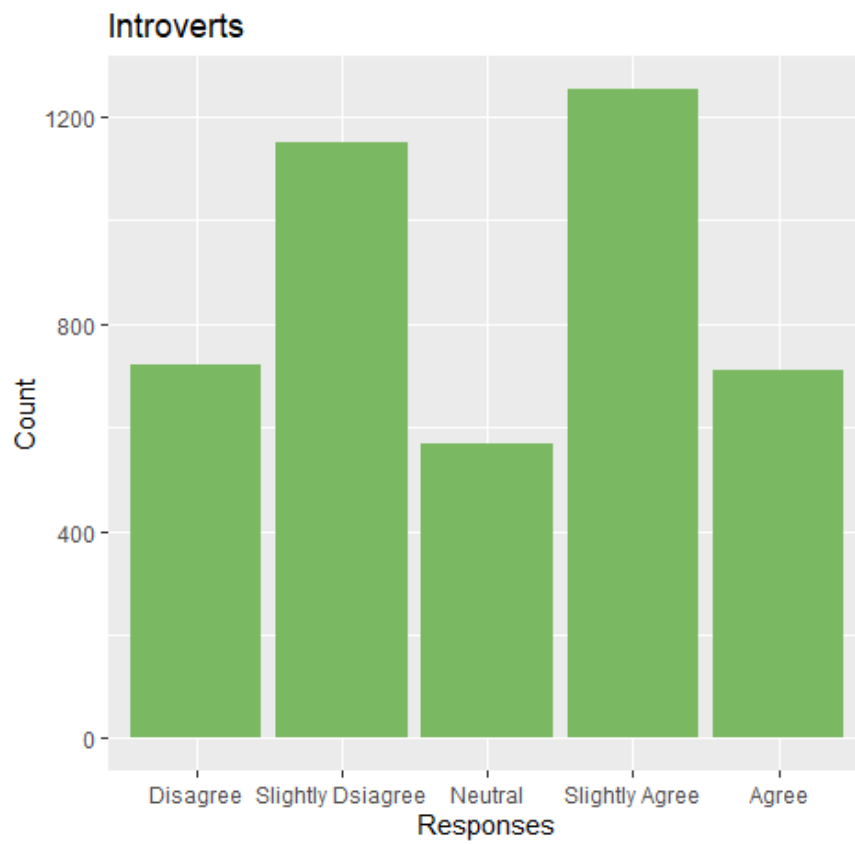

I naturally emerge as a leader.

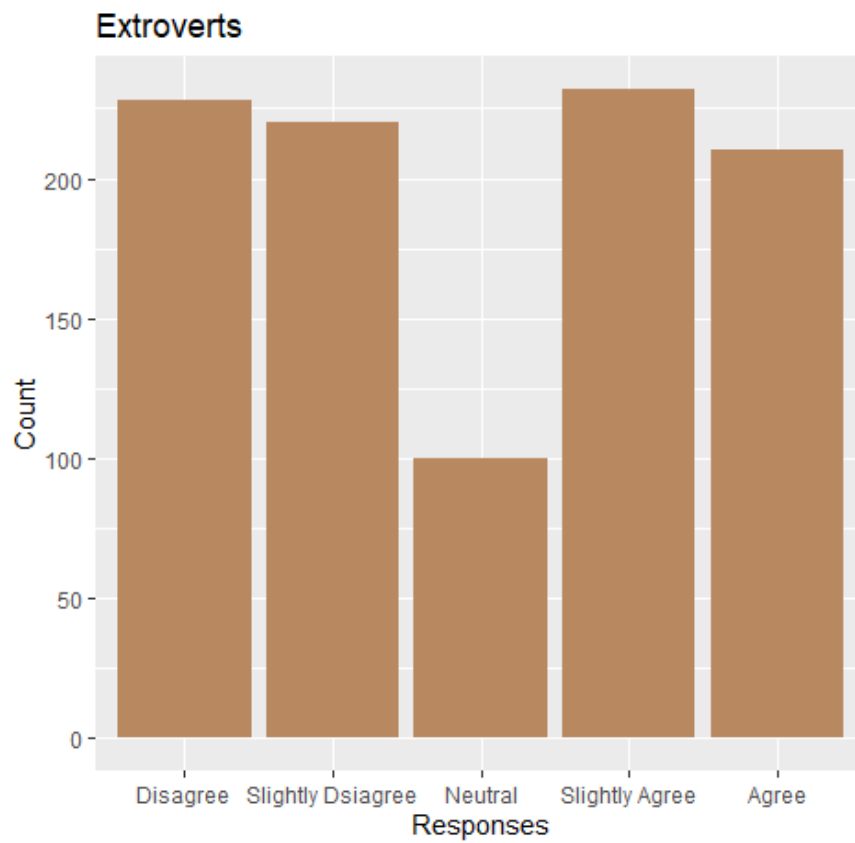

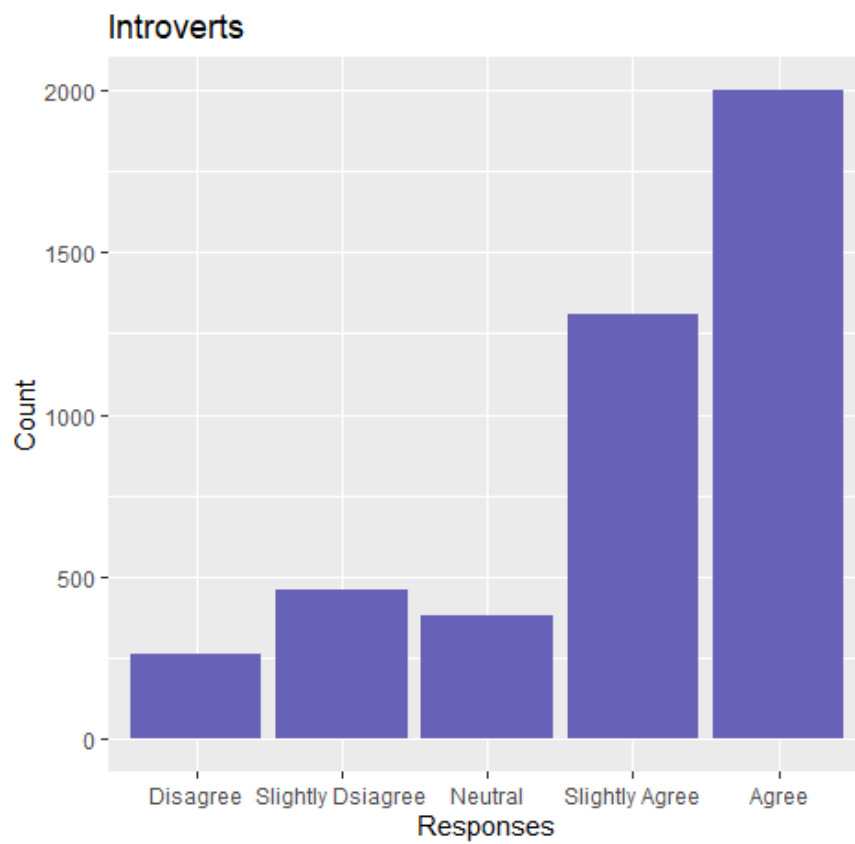

I would like to try bungee jumping.

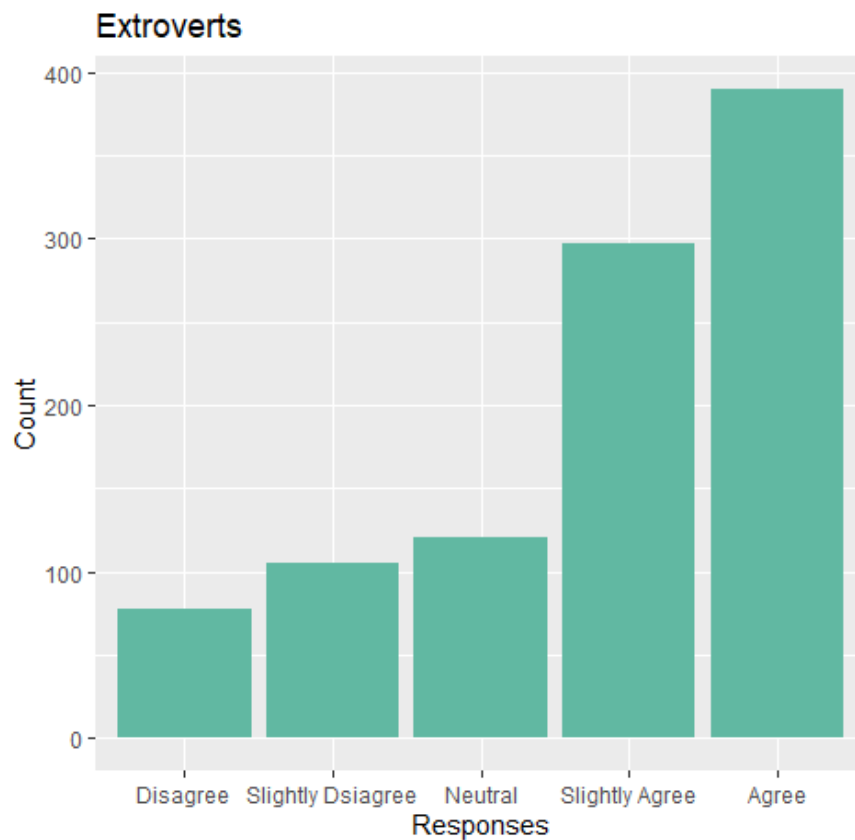

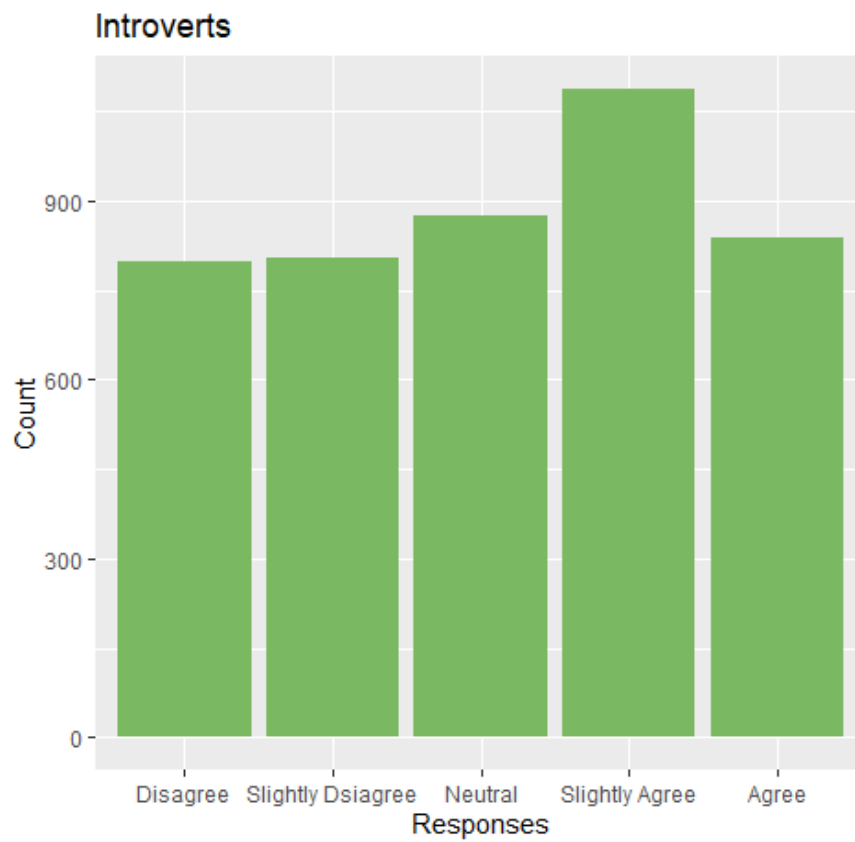

I am hesitant to give suggestions.

I hate to ask for help.

I am happy with my life.

Thank you!
